

## WINNEBAGO COUNTY JAIL VISITOR REGISTRATION

## WINNEBAGO COUNTY JAIL VISITATION RULES

Failure to abide by jail rules will result in immediate termination of visitation and could potentially cause ineligibility for further jail visits.

- 1. Visitors must be at least 18 years of age unless pre-approved by the Jail Administrator. Only one person per inmate is allowed at each visitation session.
- 2. Visitors are limited to a specific list of persons identified by the inmate's visitation list. Visitation is by video and is limited to 20 minutes. Video will terminate automatically at 20 minutes.
- 3. All visitors are required to register at the jail for their first visit. Visitors are required to re-register at least once a month and may be required to register more often. All visitors must be able to produce government identification at each visit.
- 4. No cell phones are allowed in the visitation room. Any and all outerwear, packages, purses or containers are subject to search by jail staff. The visitation room and the visitation communication is monitored by jail staff. Any violations of jail rules will result in termination of the visit and may result in the loss of visitation privileges.
- 5. Jail visitation may be cancelled due to certain jail operations or when conditions exist which may affect the safety and security of the jail facility.
- 6. Persons who have been incarcerated with the Winnebago County Jail in the last 60 days are not eligible for visitation. Persons with an active arrest warrant anywhere in the county are ineligible for visitation, regardless of whether or not the originating agency will serve the warrant in Iowa. Persons involved directly with an inmate case, such as a victim or co-defendant, are not eligible for visitation.
