

Winnebago County Jail Visitor Registration

- No person under the age of 18 will be allowed to visit inmates.
- Visitors are required to register and must obey jail rules.
- All outerwear, packages and visitors are subject to search. Anyone refusing to submit to a search will be denied visitation.
- All material brought in for an inmate must be given to the jail staff who will forward appropriate material to the inmate. Nothing may be given directly to any inmate. The only property accepted for an inmate is cash for commissary or boxer underwear. **Violation of this rule will result in criminal charges being filed against the visitor even if the item given to an inmate is not illegal to otherwise possess.**
- Visits may be denied to inmates held 48 hours or less.
- Each inmate is allowed two visitors each visitation day. Visits are limited to 15 minutes for each visitor.
- Visits will be monitored by means of audio and visual equipment.
- Any attempt to initiate direct contact with an inmate will result in immediate termination of the visit and disqualify you from any further visits with inmates in the Winnebago County Jail.
- Persons with a valid warrant for their arrest will not be allowed to visit inmates, even if Winnebago County is outside the specified pick up area of the warrant.
- Persons involved directly with a case (victim, co-defendant, etc.) involving an inmate of the Winnebago County Jail will not be allowed to visit without court order.
