**REPORT OF COMMISSION FOR CLASSIFICATION OF LANDS BENEFITED
BY
MAIN OPEN DITCH, MAIN TILE AND LATERALS 1 THROUGH 22
IN
WINNEBAGO COUNTY DRAINAGE DISTRICT NO. 21**

Honorable Board of Supervisors for Winnebago County, Iowa, acting as Trustees for Drainage District No. 21

Dear Board Members:

Pursuant to your action appointing the undersigned as commissioners to inspect and classify lands that are drained by the Main Open Ditch, Main Tile and Laterals 1 through 22 in Winnebago County Drainage District No. 21, we, as commissioners, subscribed to oath to perform said duty and proceeded to examine the drainage system and the lands the system was designed to serve.

This classification of lands was authorized due to the fact that the current classification no longer represented a fair assignment of benefits to lands in the district.

The drainage system was classified as Main Open Ditch; Main Tile and Laterals 1 through 22 in accordance with the provisions of Sections 468.39 and 468.40, Code of Iowa, 2017. The schedule is given in assessment units which illustrate the ratios by which future assessments will be spread for necessary funds for paying costs incurred.

Respectfully submitted,

BOARD OF COMMISSIONERS

Tim Missal

Harlan Nyhus

Richard A Hopper, PE
