REPORT OF COMMISSION FOR CLASSIFICATION OF LANDS BENEFITED
BY
MAIN DITCH
IN
WINNEBAGO COUNTY DRAINAGE DISTRICT NO. 5

Honorable Board of Supervisors for Winnebago County, Iowa, acting as Trustees for Drainage District No. 5

Dear Board Members:

Pursuant to your action appointing the undersigned as commissioners to inspect and classify lands that are drained by the Main Ditch in Winnebago County Drainage District No. 5, we, as commissioners, subscribed to oath to perform said duty and proceeded to examine the drainage system and the lands the system was designed to serve.

This classification of lands was authorized due to the fact that the current classification has a disproportionately high assignment of benefits to Winnebago County Secondary Roads.

The drainage system was classified in accordance with the provisions of Sections 468.39 and 468.40, Code of Iowa. The schedule is given in assessment units which illustrate the ratios by which future assessments will be spread for necessary funds for paying costs incurred.

We are only recommending modification to the classification of Winnebago County Secondary Roads. The remaining classifications will remain the same as in the Commissioners' Report dated 5/14/2019.

Schedule	Parcel ID	Landowner	Benefited Area (ac)	Current Benefit Units	Recommended Benefit Units
Main Ditch	000000003	Winnebago County Secondary Roads	229.447	5,162.372	1,340.633

Respectfully submitted,

BOARD OF COMMISSIONERS

 Tim Missal

 Harlan Nyhus
