

Winnebago County Conservation Board Roadside Maintenance Agreement

I (we) _____, _____, _____
Print Name Date

Ask the Winnebago County Conservation Board's Roadside Vegetation Management crews not to apply herbicides within the road right of way adjacent to property we own or rent at the following location.

- *Section ____ of _____ Township on the _____ side of _____.
N, S, E, W road name
- *Section ____ of _____ Township on the _____ side of _____.
N, S, E, W road name
- *Section ____ of _____ Township on the _____ side of _____.
N, S, E, W road name

In return, I (we) agree to cut, burn, spray or otherwise destroy, as per Iowa Code of Iowa Chapter 317, all listed noxious weeds and prevent the growth or regrowth of woody vegetation. This agreement does not prevent the use of herbicides by utility companies or any other entity. Also this agreement does not prevent any other maintenance practices (mowing, culverts, etc.) by the Winnebago County Secondary Road Department or other approved entities.

I (we) understand it is our responsibility to post and maintain the approved "No Spray" sign provided by the Winnebago County Conservation Board. If I (we) fail to post the area, maintain the signs, or do not control the noxious weeds and woody vegetation as stated above, Winnebago County reserves the right to apply herbicides to the described area above.

This agreement is valid until December 31st of the year signed and must be renewed every year.
