

August 4, 2026

The Winnebago County Board of Supervisors met in session at 9:00 A.M. August 4, 2026, adjourned from July 28, 2026.

Present: Supervisors Jensvold, Durby, and Smith

Absent:

On a motion by Durby and seconded by Smith the Supervisors moved to approve the minutes for the July 28, 2026, Board Meeting and approve the Agenda for August 4, 2026. All voted aye. Motion carried.

On a motion by Durby and seconded by Smith the Supervisors moved to approve the review of the Veteran's Affairs employee. All voted aye. Motion carried.

Karla Weiss, Auditor discussed Drainage matters including Durby wanting to have a culvert put in to the DD 1 repair. Helgeson Drainage will add the culvert to the repair estimate.

There was a joint meeting with Kossuth County regarding DD 35-89 Lat 12. Collin Klingbeil, engineer from Jacobson-Westergard, stated the water way is silted in and very flat, in some places there is a foot and a half of silt. To get the waterway back to original grade it would have an estimated cost of \$100,000. The original tile was put in inadequately; it needs an open ditch or a 78-inch diameter tile for this district to work correctly. Collin is the 5th engineer to look at this in recent history. The joint district needs to have a public hearing to decide what to do with this drainage system. On a motion by Jensvold (Winnebago County) and seconded by Stecker (Kossuth County) the Joint Boards moved to approve the report and set a Public Hearing for DD 35-89 Lat 12 for September 15, 2026 at 9:00 A.M. All voted aye. Motion carried.

Scott Meinders, Engineer discussed Secondary Road matters including two new box culverts are being put in south of Buffalo Center.

On a motion by Durby and seconded by Smith the Supervisors moved to approve the Amendment to Ordinance #5. All voted aye. Motion carried.

The discussion to create new funds for the Assessor office for their FICA and IPERS will be tabled until the Conference board meets.
