Terry Durby presented several possible sites for the committee to consider. Site one is downtown by the current fire hall. Site two is by Pizza Hut. Sites three, four and five are all on land where the Village Chateau is located. On a motion by Arin Anderson and seconded by Ken Peterson the committee moved to approve looking further into two of the southern sites at the Village Chateau , with the site by the highway taking preference; then the site on Acorn; and then the site near Pizza Hut. All voted aye. Motion carried.

John Hanson discussed and clarified the study and what has happened so far. He reminded the committee that the committee now has a base line and the size is not etched in stone. The building has to be functional and built for the future.

The financial subcommittee will be meeting with Jeff Heil soon.

The next meeting will be Thursday, November 7, 2013 at 6:00 P.M. in the TSB Community room.

On a motion by Troy Armstrong and seconded by Matt Gerdes the committee moved to adjourn the meeting. All voted aye. Motion carried.
