

October 27, 2015

The Winnebago County Board of Supervisors met in session at 9:00 A.M. October 27, 2015 adjourned from October 20, 2015.

Present: Supervisors Jensvold, Stensrud, and Durby

Absent:

On a motion by Jensvold and seconded by Stensrud the Supervisors moved to approve the minutes for the October 20, 2015 Board Meeting and approve the agenda for October 27, 2015. All voted aye. Motion carried.

DD 2-3 was discussed. Supervisor Stensrud is concerned about a landowner tile that is very shallow and could possibly freeze and break over the winter. Andy Smith, Veenstra & Kimm Engineer and Scott Meinders, County Engineer believe the tile should not have any issues over the winter. Supervisor Stensrud will get in touch with a couple local contractors to make sure. All those present believe this project should be completed as one project and not be done at two separate times. Veenstra & Kimm have been out doing a survey and their report should be done in a few weeks.

Kris Wempen, Drainage Clerk discussed DD 8. This drain is at the end of DD 1 which then drains through DD 8. There is no classification to bill any DD 1 landowners when work is done on DD 8. Wempen will contact IDDA to get their opinion on how to remedy this.

On a motion by Stensrud and seconded by Jensvold the Supervisors moved to approve the 28E agreement with Central Iowa Juvenile Detention Center. All voted aye. Motion carried.

On a motion by Durby and seconded by Jensvold the Supervisors moved to appoint Candy Hanna to the Transportation Policy Committee. All voted aye. Motion carried.

The session was adjourned until 9:00 A.M. October 27, 2015.
