

March 8, 2016

The Winnebago County Board of Supervisors met in session at 9:00 A.M. March 8, 2016 adjourned from March 1, 2016.

Present: Supervisors Jensvold and Durby

Absent: Supervisor Stensrud

On a motion by Durby and seconded by Jensvold the Supervisors moved to approve the minutes for the March 1, 2016 Board Meeting and approve the agenda for March 8, 2016. All voted aye. Motion carried.

Kevin Williams, Maintenance Supervisor discussed the Courthouse tuck pointing and stone replacement project.

Julie Swenson, Treasurer and Sandy Mireles, MHDD discussed the parking lot and asked for solutions from the Board of Supervisors. Waldorf students, high school students who have classes at Waldorf, Rotary and other people are parking in the Courthouse parking lot without having Courthouse business. This leaves Courthouse patrons without spaces to park. The concern is for elderly people who may have to walk long distances to get to the door with the elevator. There was discussion about putting boots on vehicles, tickets and towing of vehicles. There was also discussion regarding more signs. The Board decided at this time to send a memo to County and Courthouse employees stating the following: Please park your vehicles in the City lot across from the Sheriff's office-LEC or the City lot across from Hardees. If you are unable to walk that distance - only park in the west row (closest to the street) and do not park in the Middle row or the east row (the row by the Courthouse.) The Board will revisit this in one month to see if additional steps need to be taken.

Scott Meinders, Engineer discussed Secondary Road matters including the bridge overlay project, and stockpiling rock.

Terry Durby, Supervisor discussed Denitrifying Bioreactors for Drainage Districts.

Karla Weiss, Auditor discussed DD 110, DD 110 Lat 2, Lat 6 and Lat 7. Bill Jensvold, Supervisor will contact the landowner to discuss solutions to the blowouts, smashed tile and washouts in the area.

On a motion by Durby and seconded by Jensvold the Supervisors moved to open the Public Hearing for the 2017 Winnebago County Budget. All voted aye. Motion carried.

Present at the meeting were Supervisors Durby and Jensvold, Karla Weiss, Auditor, Scott Meinders, Engineer, Eric Guth, IT, Rae Yost and A.J. Taylor.

Karla Weiss, Auditor, discussed the budget and changes to the budget from when the budget was published. The levy went down because the actual payment for the Public Safety Center went down by \$10,000 annually. There was also a beginning balance change to reflect the escrow money for the cross over refunding.

Mike Stensrud joined the meeting by phone at 10:05 A.M.

On a motion by Durby and seconded by Stensrud the Supervisors moved to close the public hearing. All voted aye. Motion carried.

On a motion by Durby and seconded by Jensvold the Supervisors moved to approve the budget as presented and the following resolutions. All voted aye. Motion carried.

<u>Year</u>	<u>Principal Amount</u>

If less than all of the Bonds of any like maturity are to be redeemed, the particular part of those Bonds to be redeemed shall be selected by the Registrar by lot. The Bonds may be called in part in one or more units of \$5,000.

If less than the entire principal amount of any Bond in a denomination of more than \$5,000 is to be redeemed, the Registrar will issue and deliver to the registered owner thereof, upon surrender of such original Bond, a new Bond or Bonds, in any authorized denomination, in a total aggregate principal amount equal to the unredeemed balance of the original Bond. Notice of such redemption as aforesaid identifying the Bond or Bonds (or portion thereof) to be redeemed shall be sent by electronic means or mailed by certified mail to the registered owners thereof at the addresses shown on the County's registration books not less than 30 days prior to such redemption date. Any notice of redemption may contain a statement that the redemption is conditioned upon the receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if funds are not available, such redemption shall be cancelled by written notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was sent. All of such Bonds as to which the County reserves and exercises the right of redemption and as to which notice as aforesaid shall have been given and for the redemption of which funds are duly provided, shall cease to bear interest on the redemption date.

Accrued interest on the Bonds shall be payable semiannually on the first day of June and December in each year, commencing December 1, 2016. Interest shall be calculated on the basis of a 360-day year comprised of twelve 30-day months. Payment of interest on the Bonds shall be made to the registered owners appearing on the registration books of the County at the close of business on the fifteenth day of the month next preceding the interest payment date and shall be paid to the registered owners at the addresses shown on such registration books. Principal of the Bonds shall

be payable in lawful money of the United States of America to the registered owners or their legal representatives upon presentation and surrender of the Bond or Bonds at the office of the Paying Agent.

The Bonds shall be executed on behalf of the County with the official manual or facsimile signature of the Chairperson of the Board and attested with the official manual or facsimile signature of the County Auditor, and shall be fully registered Bonds without interest coupons. In case any officer whose signature or the facsimile of whose signature appears on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The Bonds shall not be valid or become obligatory for any purpose until the Certificate of Authentication thereon shall have been signed by the Registrar.

The Bonds shall be fully registered as to principal and interest in the names of the owners on the registration books of the County kept by the Registrar, and after such registration, payment of the principal thereof and interest thereon shall be made only to the registered owners or their legal representatives or assigns. Each Bond shall be transferable only upon the registration books of the County upon presentation to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form thereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The record and identity of the owners of the Bonds shall be kept confidential as provided by Section 22.7 of the Code of Iowa.

Section 4. Notwithstanding anything above to the contrary, the Bonds shall be issued initially as Depository Bonds, with one fully registered Bond for each maturity date, in principal amounts equal to the amount of principal maturing on each such date, and registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). On original issue, the Bonds shall be deposited with DTC for the purpose of maintaining a book-entry system for recording the ownership interests of its participants and the transfer of those interests among its participants (the "Participants"). In the event that DTC determines not to continue to act as securities depository for the Bonds or the County determines not to continue the book-entry system for recording ownership interests in the Bonds with DTC, the County will discontinue the book-entry system with DTC. If the County does not select another qualified securities depository to replace DTC (or a successor depository) in order to continue a book-entry system, the County will register and deliver replacement bonds in the form of fully registered certificates, in authorized denominations of \$5,000 or integral multiples of \$5,000, in accordance with instructions from Cede & Co., as nominee for DTC. In the event that the County identifies a qualified securities depository to replace DTC, the County will register and deliver replacement bonds, fully registered in the name of such depository, or its nominee, in the denominations as set forth above, as reduced from time to time prior to maturity in connection with redemptions or

retirements by call or payment, and in such event, such depository will then maintain the book-entry system for recording ownership interests in the Bonds.

Ownership interest in the Bonds may be purchased by or through Participants. Such Participants and the persons for whom they acquire interests in the Bonds as nominees will not receive certificated Bonds, but each such Participant will receive a credit balance in the records of DTC in the amount of such Participant's interest in the Bonds, which will be confirmed in accordance with DTC's standard procedures. Each such person for which a Participant has an interest in the Bonds, as nominee, may desire to make arrangements with such Participant to have all notices of redemption or other communications of the County to DTC, which may affect such person, forwarded in writing by such Participant and to have notification made of all interest payments.

The County will have no responsibility or obligation to such Participants or the persons for whom they act as nominees with respect to payment to or providing of notice for such Participants or the persons for whom they act as nominees.

As used herein, the term "Beneficial Owner" shall hereinafter be deemed to include the person for whom the Participant acquires an interest in the Bonds.

DTC will receive payments from the County, to be remitted by DTC to the Participants for subsequent disbursement to the Beneficial Owners. The ownership interest of each Beneficial Owner in the Bonds will be recorded on the records of the Participants whose ownership interest will be recorded on a computerized book-entry system kept by DTC.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the County to DTC, and DTC shall forward (or cause to be forwarded) the notices to the Participants so that the Participants can forward the same to the Beneficial Owners.

Beneficial Owners will receive written confirmations of their purchases from the Participants acting on behalf of the Beneficial Owners detailing the terms of the Bonds acquired. Transfers of ownership interests in the Bonds will be accomplished by book entries made by DTC and the Participants who act on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Bonds, except as specifically provided herein. Interest and principal will be paid when due by the County to DTC, then paid by DTC to the Participants and thereafter paid by the Participants to the Beneficial Owners.

Section 5. The Bonds shall be in substantially the following form:

The County, the Registrar and the Paying Agent may deem and treat the registered owner hereof as the absolute owner for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all

other purposes, and the County, the Registrar and the Paying Agent shall not be affected by any notice to the contrary.

The County hereby designates the Bonds as "Qualified Tax Exempt Obligations" as that term is used in Section 265(b)(3)(B) of the Internal Revenue Code.

Section 11. The Securities and Exchange Commission (the "SEC") has promulgated certain amendments to Rule 15c2-12 under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) (the "Rule") that make it unlawful for an underwriter to participate in the primary offering of municipal securities in a principal amount of \$1,000,000 or more unless, before submitting a bid or entering into a purchase contract for such securities, an underwriter has reasonably determined that the issuer or an obligated person has undertaken in writing for the benefit of the holders of such securities to provide certain disclosure information to prescribed information repositories on a continuing basis so long as such securities are outstanding.

On the date of issuance and delivery of the Bonds, the County will execute and deliver a Continuing Disclosure Certificate pursuant to which the County will undertake to comply with the Rule. The County covenants and agrees that it will comply with and carry out the provisions of the Continuing Disclosure Certificate. Any and all of the officers of the County are hereby authorized and directed to take any and all actions as may be necessary to comply with the Rule and the Continuing Disclosure Certificate.

Section 12. All resolutions or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.
