May 2, 2017

The Winnebago County Board of Supervisors met in session at 9:00 A.M. May 2, 2017 adjourned from April 25, 2017.

Present: Supervisors Jensvold, Stensrud and Durby

Absent:

On a motion by Durby and seconded by Stensrud the Supervisors moved to approve the minutes for the April 25, 2017 Board Meeting and approve the agenda for May 2, 2017. All voted aye. Motion carried.

Debby Bartleson, Veterans Affairs Commissioner discussed office space for Veterans Affairs and the proposal for moving the office without the Veterans Affairs Board being notified. After much discussion the Board of Supervisors agreed to table the discussion until further information is obtained.

Health insurance was discussed.

Scott Meinders, Engineer discussed Secondary Road matters including his contract ending June 30, 2017. Meinders would like to propose in his new contract a 1.8% increase in salary each year for two years and 16 days of vacation the first year and 17 days of vacation the second year of the contract. Meinders also discussed the salaries of the office staff.

Kris Oswald, Drainage Clerk discussed DD 5 Lat 5. Elliott Evans dug a private ditch along Highway 9 and cut through the outlet pipe for the Drainage District. Evans has been told in the past to replace this pipe. Mike Stensrud will contact Elliott again to have him replace the pipe. Gordy Anderson discussed DD 18 and the tile that was replaced. The use of non-perforated tile has made the land not drain. Anderson has an estimate from Rognes Brothers to add additional perforated tile along the non-perforated tile. This should alleviate the problem.

On a motion by Stensrud and seconded by Durby the Supervisors moved to approve a 28E agreement between Winnebago County and the City of Forest City for law enforcement. All voted aye. Motion carried.

The Supervisors discussed the law enforcement contracts between Scarville, Leland, Thompson and Rake and Winnebago County. The Board agreed to have the Auditor’s office send out new letters to the Cities and put the discussion back on the agenda for May 16, 2017.
The following claims were approved and ordered to be paid:
